

Introducing!

FARGO® CARDJET™ 410 PHOTO ID SYSTEM

Everything you need to start printing professional-looking ID badges in under 15 minutes!

If you're thinking about getting your first system, or are just tired of hassling with your current cut-and-paste system, then the **NEW FARGO CardJet 410 Photo ID System** is for you!

The world's most user-friendly photo ID system!

The CardJet 410 Photo ID System includes everything you need to create durable, personalized cards for corporate, retail, loyalty and membership applications without any trouble or training!

- CardJet 410 Card Printer – featuring FARGO's exclusive CardJet Printing™ technology and a Hewlett-Packard™ inkjet-based print engine
- Build-A-Badge™ software
- USB-ready digital camera
- 6 ft. USB cable
- One 300-print color SmartLoad™ Ink Cartridge
- One 900-print black SmartLoad Ink Cartridge
- One 100-card SmartLoad Card Cartridge

It's inkjet-easy!

The CardJet System requires no cut-and-paste card assembly, no card cleaning and no system integration effort! CardJet delivers:

- Great-looking durable cards
- BIG savings on labor and consumable costs
- Convenient Build-A-Badge database for digital records and instant card reissuance
- Simple operation – as easy as any other inkjet printer, and EASIER than dye-sublimation printers!
- System integration flexibility with USB interface
- No printhead expense or worry
- Maintenance-free reliability

Now, there's no reason *not* to own a digital photo ID system!
